

STANDARD ACCOUNTANTS
Accountants & Consultants

1. ABOUT US

Standard Accountants is a well established finance consultancy firm based in Dubai, United Arab Emirates. Since its inception in 1995, we are providing professional services to clients in a wide range of industry verticals. Our long lists of highly satisfied clients vouch for our professional excellence.

Our mission is to provide professional advice and services to address the challenging business needs of our clients with highest standards of integrity, quality and efficiency.

Backed by a strong team of Accounting & Management professionals and armed with excellent business contacts we are in an ideal position to offer a one stop affordable solution to our clients ranging from Accounting & Auditing, Feasibility Studies & Preparation of Project Reports, Business Setup & Consulting and Financial Information Systems. Management of Financial resources as an outsourced functionality is our added advantage offered to the corporate world.

2. ACCOUNTING

Accounting records and book keeping are very vital functions for any business. Timely and accurate accounting records provide a clear picture of the business to owners, directors or management based on which appropriate decisions can be made. Our experienced accounts team has developed a sharp eye for detail and can interpret the accounts to help you make sound business decisions.

Our Accounting & Book Keeping services are tailored made for small and medium sized business who do not find it viable to employ a full-time qualified accountant but still need professional assistance to manage their business more efficiently. Our Accounting services include monthly accounting, documentation, reconciliations, job costing, accounts closing and issuing monthly financial statements. For medium-sized companies we assist in placing junior accountants, we provide supervisory services, whereby we arrange regular visits, assist and guide your staff, verify their work and provide the necessary financial information to the management.

3. CONSULTANCY

We also offer our valuable clients with the following consultancy services:

- HR Augmentation and Resource Optimization
- Budget and Cost Management Services
- Strategic Business Planning
- Restructuring Advisory Services
- Merger, Acquisition and Buyout Advisory Services
- Deal Development Services

4. FINANCIAL REPORTING

Our specialized team of highly qualified Financial Experts carries out in-depth review of Accounting Systems, Internal Controls and Checks as well as the adequacy of MIS and report on flaws and weaknesses together with our corrective recommendations. We also carry out Internal and Management Audits of all or Specific functions as required by the management.

5. UAE BUSINESS SETUP
